

NORTHUMBERLAND HILLS STUDIO TOUR

FREE - Annual Self-Guided Tour of the Arts
SEPTEMBER 7th & 8th 2019 10:00am-5:00pm

www.northumberlandstudiotour.ca

WEEKEND AFTER LABOUR DAY

The Northumberland Hills Studio Tour provides an ideal opportunity to enhance awareness of the wealth of creative talent within our region.

Northumberland County is one of the most vibrant and diverse arts communities in Ontario.

Established in 1996 by Vicki Forsyth, the Studio Tour, now in its 24th year, features displays, demonstrations and opportunities to learn about the working process in each medium.

Jewellery, pottery, glass, paintings, wood, stone sculpture and fibre art are just a few of the media you will see on this free self-guided tour.

You may purchase and support the work of local artists. You will find unique gifts. You may also discover that special piece for your personal collection.

Participation in the draw for a \$200.00 gift certificate, which can be used at any of the attending artists, is an added bonus of the tour.

The Northumberland Hills Studio Tour is appreciative of the community's patronage and the support of our local merchants and organizations.

Welcome to Northumberland County. This will be a weekend to remember, so come and visit us where we create.

Special Thanks from the 2019 Committee
